UCSC WOMEN'S CLUB
*Where Campus and Community
Come Together*

2008

Fall

Vol. 11 Issue 3

Mission Statement

The UCSC Women's Club is open to all women of the campus and town communities. Its purpose is to be of service to the university, to foster friendships between town and gown, and to encourage understanding and support for the mission and functions of the university. A special goal of the club is to develop scholarships for re-entry students.

President's Message

Welcome to the 2008-09 year with UCSC Women's Club! We're off to a great start with our wonderful board members who've been working throughout the summer to make plans for our 43rd year. Our 1st Vice President, Bonita Sebastian, has been organizing an exciting group of speakers for our monthly meetings, including Bruce Margon, UCSC Vice-Chancellor of Research, whose own research focuses on high-energy astrophysics, and who's been involved with the Hubble Space Telescope project for over 25 years.

We're fortunate to have the Arboretum as the location for most of our monthly meetings. The board will kick off the year by providing a light luncheon at the Fall Gathering, where you'll hear about the year's plans as well as the range of opportunities our interest groups provide. In a departure from our recent refreshment arrangements, beginning in November, our monthly meetings will include drinks and dessert only. In December we'll join the other university friends groups for a holiday party, and our spring luncheon will highlight our scholarship recipients.

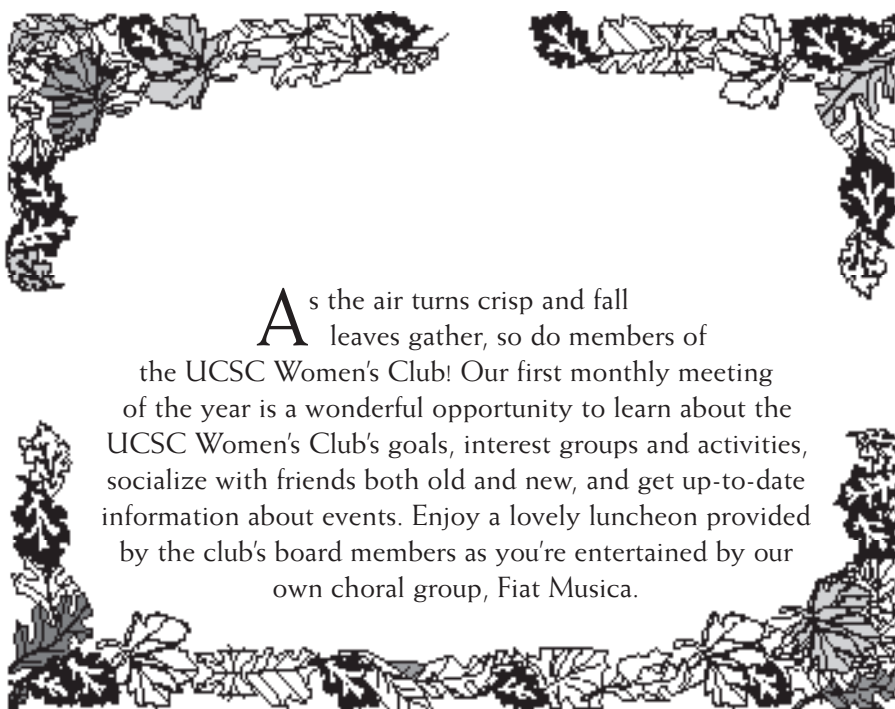

For many years Liz Evanovich has served the UCSC Women's Club as Staff Liaison between the Women's Club and the University. Recently the

As the air turns crisp and fall leaves gather, so do members of the UCSC Women's Club! Our first monthly meeting of the year is a wonderful opportunity to learn about the UCSC Women's Club's goals, interest groups and activities, socialize with friends both old and new, and get up-to-date information about events. Enjoy a lovely luncheon provided by the club's board members as you're entertained by our own choral group, Fiat Musica.

University began transitioning the way it supports its friends groups, and Liz will move to the role of member-at-large on the Women's Club board. The board continues to work closely with the University. We thank Liz for her devoted service to our club, particularly to the board. She's gone above and beyond the call of duty to assist us, and we are greatly appreciative.

A particular goal of our club is to provide scholarships for UCSC re-entry students. This past spring we awarded \$12,000 in scholarship money to twelve deserving students. We plan to increase our scholarship awards this coming spring. Last year we were very successful in our fund-raising, gathering nearly \$17,000. Noteworthy was last year's first annual Santa Cruz Chocolate Festival, so highly successful that our second annual Santa Cruz Chocolate Festival is planned for Sunday, February 8, 2009, at the Coconut Grove, a much larger venue than last year. Thanks to your contributions of all kinds, the Rita Olsen Pister Endowment has reached \$125,000! Please continue to contribute to this worthy cause.

Please enjoy our fall newsletter to keep current with our club activities, and feel free to contact me with any questions or concerns at sal@ucsc.edu or 831-459-2552.

Sincerely, Sally Lester
President

Newcomers' Luncheon

New UCSC Women's Club members will be invited to join Board members at an October 22 luncheon hosted by 2nd Vice President May Clark and Member-at-Large Cynthia Noble-Vesecky. New members gain information and have an opportunity to ask questions about the organization.

• Please remember to send in your membership dues! •

Desserts and Drinks

In recent years our club members have provided a light luncheon at our monthly meetings. As our club has grown, arranging the luncheon for a large group has become a greater challenge. The board decided that, beginning with our November general meeting, club members will provide dessert. The board will continue to provide drinks.

You're welcome to bring your lunch with you and enjoy the yummy desserts. We're now asking members to bring desserts, so please sign up at our next meeting to share your favorite cookies, pies, and cakes!

Food Helpers Wanted!

Food Coordinator Roberta Bromberger is hoping you'll volunteer to help her with coordinating our new dessert-only menu. This is your chance to work with a wonderful group of women and have fun in the process! Volunteers may circulate sign-ups for general meetings, remind members of their sign-ups, receive and arrange the set-up of drinks and desserts, and/or help with cleanup. For more information, contact Roberta Bromberger, bobby@paradiseav.com, or Sally Lester, 831-459-2552 or sal@ucsc.edu.

Setting the Pace in the Human Race

More than twenty women participated in the 2008 Human Race on May 10 on behalf of the Women's Club, raising nearly \$2,000 for student scholarships. Most Women's Club participants walked the 10K course from Natural Bridges, along West Cliff and back. However, a few ran the course with determination and speed. We kept good company with one another, and at least three spouses and one dog

rounded out the mix. We were treated to a continental breakfast before the race, snacks and drinks at the halfway point, and a barbeque lunch afterward. The Women's Club was one of nearly 130 nonprofits that participated. More than \$220,000 was raised by approximately 3,000 individual fundraisers. It was the most profitable race yet according to the Volunteer Centers of Santa Cruz who organized the race.

Did You Buy Your Women's Club T-Shirt?

If you didn't get your t-shirt yet, you can buy one on October 1 at our Fall Gathering. Women's Club t-shirts will be on sale for \$8 each.

Financial Planning Seminar to be Offered in January

Learn more about retirement planning and other investment vehicles by attending an hour-long seminar sponsored by the UCSC Women's Club. A panel of speakers will discuss topics such as changes in estate planning, medical issues and directives, tax issues, and how to manage your financial risk and optimize the return on your investments. This will be a great opportunity to ensure you are doing everything possible to secure your financial future and that of your loved ones. Logistical information will be announced this fall. In the meantime, if you would like to be on our e-mail list for this workshop, please contact Lorraine Margon at lorraine21@earthlink.net.

Interest Groups News

Many of our interest groups met over the summer and will continue meeting into the fall. New members are always welcome. We have two new groups ready to go: Quilting and Euchre, a card game. If you are interested in an activity we do not have listed here, perhaps you would like to lead a new group. Let Irma Andrews know. You may reach her at irma_andrews@hotmail.com. Club members may sign up for groups at our October 1st luncheon or may contact the group leader directly.

ADVENTURE GROUP

A full agenda has been planned for the upcoming year with the objectives of providing a wide variety of excursions and having an outing approximately once a month. Several of the venues have set dates, however, most of them will be set depending on interest shown during Fall Gathering in October. Be sure to visit the display table for details! We encourage suggestions, ideas and comments. Our outing destinations include

- The Eugene O'Neill House and Sunol Water Temple in November
- Christmas in the Adobes in Monterey, December 11 or 13
- The De Young Museum and Palace of the Legion of Honor in S.F. with a Burmese Lunch
- An overnight train trip to the California Railroad Museum, the California Capitol Museum, and Old Sacramento
- Local organic and boutique farms, including Far West Fungi, Valencia Creek (lavender) Farms, Olio delle Colline di Santa Cruz (olive trees), Pacific Crest Apiaries
- Golden Gate Park in S.F. to visit the California Academy of Sciences, Strybing Arboretum and Botanical Gardens, and the Conservatory of Flowers in the springtime
- Art studios of current UCSC Women's Club members along with a special meal

BOOK CLUBS

Book Club 2 and Book Club 3 are not adding new members so they can stay at a reasonable size for good discussions. The other two clubs invite club members to join them.

BOOK CLUB 1 meets each month in participants' homes to enjoy lunch and review a selected book.

Contact: Helen Palmer, 479-1926.

**Meets 1st Monday of each month,
1-2:30 pm**

BOOK CLUB 3 (BROWN BAG BIBLIOPHILES) was very lucky to meet the author Cristina Garcia in April to discuss her books *A Handbook to Luck* and *The Aguero Sisters*. She was

born in Cuba but was raised in New York and is a National Book Award Nominee. The meeting was arranged by Janet Leimeister, a co-owner of the Capitola Book Cafe. It was fascinating to be able to discuss the process of her writing and the background of her stories with Garcia. She indicated it was the first time she had met with a book club. It was as enjoyable to her as it was to us, her readers. We hope to meet with another author in the future.

BOOK CLUB 4 is an enthusiastic evening group that meets at the home of Evelyn Falk. Members take turns providing snacks and leading great discussions on the book of the month.

BRIDGE

We should all be keeping those brain cells active, and bridge is a good way to do it and have some enjoyment at the same time. You don't have to be an expert to join the group. We start with light snacks, and then get down to bridge for about three hours. New members are welcome. If you would like to play bridge but are not sure you are ready to play with experienced players, there is also a Learn to Play Bridge group you might want to join. (See page 5).

EUCHRE

Do you like card games? Play euchre with Dorothea Ditchfield and other Club members. Euchre is fun! It is played with regular cards but none below a nine. You don't have a lot of cards to hold, and you'll learn how to play in one session.

Contact: Dorothea Ditchfield,
ditchfield@earthblink.net

FIAT MUSICA

Fiat Musica is the Women's Club choral ensemble. Anyone who has sung in a chorus (even high school) or who has always wanted to sing, is invited to join this group. We perform several times throughout the year at meetings held by the UCSC Women's Club and other women's organizations and at special community events.

Contact: Lorraine Margon,
lorraine21@earthblink.net

Rehearses weekly, Thursday nights, 7-8:30 pm at the UCSC Women's Center

Fiat Music performs on July 18 at Relay for Life fundraiser for cancer research. This is the debut of Fiat's new director, Lindsay Burstedt, a senior in the UCSC music program. Lindsay was last year's Assistant Director for the UCSC Opera.

GARDEN CLUB

This very active group meets in participants' homes. We bring a sandwich and gardening tips to share, enjoy talks, have plant exchanges, and sometimes take a walk around a nice garden.

Contacts: Cherry Thompson,
cherrylea@comcast.net

Barbara Vorlop, 464-2973

Meets 2nd Monday of each month,
11 am-1 pm

24 members of the Garden Club, including Paula Woolever, Gayle Anderson, and Dorothy Hale, enjoy the March meeting at Barbara Shield's home on Smith Grade Rd. with her immense number of blooming tulips. Members also share blooms from their home gardens.

HIKING/WALKING GROUP

We enjoy walks in the area, many of them in local parks. We usually walk four or five miles and sometimes include lunch in our outing. We get home by early afternoon. We would like to have new walkers join us. If you have a favorite hike or if you've heard about a trail you'd like to explore, share that with us, and join us for our monthly walks.

Contacts: Laurie Salatich,

Meets 2nd Thursday of each month,
9:30 am - 3:00 pm

KNIT NITE

Beginning and experienced knitters get together to share their pastimes, conversation and perhaps knitting patterns! We meet in members' homes in the evening. Meeting days for the coming year have not been decided. Let us know what is best for you.

Contact: Stephanie Nielson,
stephanie_m_nielsen@yahoo.com

LEARN TO PLAY BRIDGE

If you've never, or rarely, played bridge and would like to learn the game and have some fun while doing so, join this group. It can also serve as a refresher for you if you haven't played bridge for a long time. We welcome real beginners as well as 'advanced learners' who know the basics but aren't confident about playing with experienced players. We meet at the DeAnza Clubhouse, where we start with a snack, have a bridge lesson, and then play bridge.

Contact: Irma Andrews, 688-3545

Congratulations 2008 Scholarship Recipients!

EACH SPRING THE UCSC WOMEN'S CLUB GRANTS SCHOLARSHIPS TO DESERVING RE-ENTRY STUDENTS AT UCSC. This year the scholarship committee awarded twelve scholarships for a total of \$12,000 to the following students who were honored at our May luncheon.

Holly Alpert

Holly is a Ph.D. candidate in environmental studies, focusing on understanding and evaluating impacts of climate change on terrestrial ecosystems and natural resources. She envisions her career having both science and policy components, and she plans to work in the western US because the impacts of climate change on water resources will be especially important in this region. Her funding supported her last field season of research.

Roosbelinda Cardenas

As an international student pursuing a Ph.D. in cultural anthropology, Roosbelinda seeks to dovetail her graduate education to learn about and combat racism in Latin America. She has advanced to candidacy and will begin fieldwork in fall 2008. As a new mother, she is applied her scholarship toward child care expenses.

Regina Chavez

An extremely hard-working and independent Latina, Gina has been separated from her family because of her involvement with the gay community. She completed the honors program at Orange Coast College and is currently completing an undergraduate degree in community studies. She is passionate about creating social change around issues of early childhood education. She used her scholarship toward necessary medical expenses.

Laura Duran-Gomez

Majoring in global economics and Latin American and Latino Studies, Laura came from Mexico to the US in 1998 with no knowledge of English. She is the single parent of two daughters. Her goals are to succeed and be a role model for her daughters and her community by completing a master's degree in public health. Her scholarship funded summer session classes.

Levi Goldman

Levi is an art major whose work focuses on the body and the idea of the prosthetic, particularly his own prosthetics which he wears for better hearing. His scholarship helped to fund the procedure to implant a bone-activated hearing aid.

Kristin Hulvey

Kristin is a Ph.D. candidate in environmental studies, concentrating on conservation biology. Her scholarship funded a project evaluating the impacts of introduced reindeer into the St. George Island, Alaska ecosystem and working with local stakeholders to develop a reindeer management plan.

Frances Karg

Frances was a re-entry undergraduate student to UCSC in fall 2005 and completed her bachelor's degree in marine biology. She is now pursuing a master's degree in education and teaching and used her scholarship to go toward summer fees. She is the first in her family to attend college. She is excited about having the "ability to share the wonders of nature with students, especially those

who would not otherwise have the means to have such experiences and possibly inspire some to become future marine biologists."

Joshua Karrasch

Josh is completing a BA in psychology while preparing to attend medical school. A veteran of the armed services, Josh is currently coordinating a veterans' peer mentor program at UCSC. He works as a paramedic while attending UCSC. Josh used his scholarship toward fees for required organic chemistry classes in the summer.

Blythe Lee

As a single mother of three daughters, Blythe completed her undergraduate degree in literature in spring 2008 and entered the master's in education and teaching program at UCSC. She hopes to find a position to use literary studies to further social justice in public schools. Her scholarship helped fund her first term fees.

Katrina Makuch

Katrina was a re-entry undergraduate student who completed her bachelor's degree in economics and is currently pursuing a master's degree in applied economics. Her scholarship helped fund a female entrepreneur project with Rising International, a local non-profit organization that contributes to reducing world poverty by enabling women in developing countries to participate in the global economy.

Continued on page 7

Veronica Perez

The mother of two girls, Veronica is committed to majoring in psychology with a minor in Latin American and Latino Studies. Her long-term goal is to complete a master's degree in social work in order to help victims of domestic violence in her home community of East San Jose. Her scholarship funded summer classes.

Barbara Smith

As the first in her family to attend college, Barbara is determined to change a generations-long pattern. She is currently pursuing a bachelor's degree in psychology and used her scholarship to fund summer classes. Her long-term goal is to provide education to war-torn communities.

QUERY A QUILTER

Do you want to quilt with a group of fellow quilters, or perhaps you want to learn how to quilt? Jo Barbier invites you to "Query a Quilter": Ask a quilter what they enjoy about quilting and you'll get a bounty of answers but always, "I love it." We will start with a once a month daytime meeting and hopefully go to a weekly or bi-weekly meeting. Welcome to all, those with no experience or prize winners. The best thing about a quilting group is that quilters are the most enthusiastic and supportive people you'll ever meet. Please ask me any questions.

*Fundraising Update –
We're Making a Difference!*

We made great strides for our students last year by raising almost \$17,000 for our re-entry scholarship program in 2007-08. This coming year we'll continue our efforts to make a difference for students who really do appreciate what we do to support their educational pursuits. Mark your calendar for these tasty occasions:

Community Night at Shadowbrook Restaurant takes place on Tuesday, December 9, 2008. Come dine with family and friends—the more the merrier! One-third of all food and beverage sales will go to our scholarship program.

Our second annual Santa Cruz Chocolate Festival is set for Sunday, February 8, 2009, from 2 to 5 pm at the Cocoanut Grove Ballroom. If you are interested in being part of the organizing team for this event, please contact Lorraine Margon at lorraine21@earthblink.net.

On Saturday, May 9, at 8 am is Human Race 2009 at Natural Bridges State Park.

In Memoriam

With much sadness we acknowledge the passing of two dear club members, Beverly Levine and Harriett Cramer. Beverly was an accomplished professional with a broad range of interests, including travel, agriculture, writing, and music. She traveled the world, helped write and edit a book of World War II memories, and most recently was a member of Fiat Musica. She was known for her witty nature and her kindness to young people.

Harriett will be remembered as an avid bridge player and a wonderful storyteller—she always had a twinkle in her eye as she told a story! Harriett and her husband were very involved in the local chapter of Mended Hearts, a cardiac support group offering help, support, and encouragement to heart disease patients and their families.

Our hearts go out to their families—we will miss these two wonderful women.
